**“EASTERN MADE BETTER”**

## **NUESTRO EQUIPO EMB**

Nuestra historia comienza en 1998, con una humilde tienda en el barrio de Tetuán. Después de años de esfuerzo e investigación, en 2016 creamos EMB FOOD y desde entonces, no hemos dejado de crecer, hasta convertirnos una de las mayores empresa de importación de alimentos asiáticos en España.

Disponemos de una superficie logística de más de 25.000m<sup>2</sup> y tenemos una flota de vehículos propios que con la ayuda de nuestros colaboradores de transporte llegamos a cualquier rincón de España y seguimos expandiéndonos por Europa, estando ya presentes en más de 13 países europeos. Allá donde el cliente nos reclame, allí estaremos.

Contamos con más de 3.000 referencias de productos, tanto marcas clásicas como marcas emergentes. Somos unos apasionados de la gastronomía y estamos en continua búsqueda y crecimiento, para ofrecer a nuestros clientes siempre los mejores productos. Desde alimentos frescos y verduras hasta alimentos secos y congelados. Las opciones para nuestros clientes son diversas, actualizadas y de alta calidad.
